Dear Auction Buyer,

It is with great sadness we announce the cancellation of the 100th Tehama District Fair due to COVID-19. We do want to ask for your help and support in rallying around our Junior Livestock Exhibitors as we host a Junior Livestock Show and Sale the third weekend in May. The Centers for Disease Control and Prevention (CDC) has an 8-Week event ban that ends May 10. If the ban is lifted, a live show and sale will take place on May 17th. If the ban remains, the show and sale will be held online. Either way, the Tehama Jr. Livestock Auction will be broadcast on www.EZ2Bid.com.

COVID-19 has been a major disruption for businesses, families, and kids in our community. Last year, you came together to support our youth exhibitors and had a record high Junior Livestock Auction totaling more than \$900,000 in sales. While this year will look much different, our hope is to unite around these exhibitors to ease their financial burden and reach a “break even” price for their projects.

How Can You Help?

- Purchase an animal at the Junior Livestock Auction on May 17th
 - Register to Bid Today at www.EZ2Bid.com
 - Buyers that are not familiar with or may not want to use the virtual online platform can have the fair office entered bids for them. Attached is a proxy letter that you may fill out, sign and return to the fair office. We will purchase the animal on your behalf.
- Add-On to an Exhibitor with the attached proxy letter or through the Fair office
- Auction pool: If you do not have a specific exhibitor you wish to support, you can make a flat donation to an auction pool. We will buy animals in your name from exhibitors whose animals have not received bids or distribute funds from the pool to supplement exhibitors who received lower pricing establish a floor price for all species.

To Receive Updates on the Junior Livestock Auction:

- Please email: info@tehamadistrictfair.com stating you would like to participate in JLA updates, and you will be added to our email list.

We know each one of our buyers has been severely impacted economically from COVID-19. We appreciate any support you can give our youth exhibitors. Our community is known for coming together and supporting the kids, and while this year might not look like past years, it is without a doubt we will all get through this together.

Should you need any help registering to bid, purchasing an animal, or donating to the Auction Pool, please contact the Fair office at (530)527-5920 or via email: info@tehamadistrictfair.com

Thank you again,

Mandy Staley, CEO
Tehama District Fair
