**G. CONTRACT AWARD**

The contract must be awarded to the lowest *responsive* bidder or all bids must be rejected. DAA reserves the right to accept any or all of the lowest bid per item requested unless the bidder stipulates that their response is an “all or nothing” offer. If the lowest responsive bidder does not have the necessary quantity, the DAA may also award up to their specified needs in accordance to low bid (if applicable).

Upon selection of a proposed bidder, a “Notice of Award” will be posted, in public view, for five (5) working days at the DAA’s Administration Office. In addition, a copy of the “Notice of Award” will be mailed to each bidder.

**H. BREAKING TIES**

In the event that there is a tie, the tie will be broken by a toss of a coin by a DAA designee in the presence of authorized representatives of the tied bidders.

**I. GROUNDS FOR REJECTION**

**1. A bid shall be rejected if:**

- It is received at any time after the exact time and date set for receipt of bids as stated in paragraph C.
- It is not prepared in accordance with the required format or information is not submitted in the format required by this IFB.
- The firm has submitted multiple bids in response to this IFB without formally withdrawing other bids.

**2. A bid may be rejected if:**

- It contains false or misleading statements for references which do not support an attribute or condition contended by the competitor (the bid shall be rejected if, in the opinion of the DAA, such information was intended to erroneously and fallaciously mislead the State in its evaluation of the bid and the attribute, condition or capability of requirement of this IFB.)
- It is unsigned

**3. All bids may be rejected in any case where it is determined that:**

- The bids are not really competitive
- Where the cost is not reasonable, or
- If it is deemed to be in the best interests of the State

**4. All bids may be rejected if the DAA determines, at its sole discretion, that any other reason exists to reject the bid.**

**J. RIGHT TO REJECT ANY OR ALL BIDS**

It is the policy of the DAA not to solicit bids unless there is a bona fide intention to award a contract. In the rare case where solicitation for informational and planning purposes is intended, the document will so indicate. However, without limitation by reason of the foregoing explanation, the DAA reserves the right to reject any or all bids or to cancel the IFB at any time during process.

**K. PROTESTS**

A bidder may file a protest against the awarding of the contract. The protest must be filed with the:

Department of General Services  
Attn: Legal Office  
707 Third Street  
West Sacramento, CA 95605

**and** with the DAA. The protest shall be filed prior to the expiration of five (5) working days from the notice of the proposed award being posted and, in no event, later than 5:00 p.m. on the fifth (5<sup>th</sup>) working day after notice for proposed award being posted in a public place at the DAA's Administration Office.

**IN ADDITION**, within five (5) working days after filing the protest, the protesting bidder shall file with the DAA and DGS Legal Office a fully detailed and complete written statement specifying the grounds for the protest.

**PLEASE NOTE:** Failure to file (i) notice of the protest by the conclusion of the fifth (5<sup>th</sup>) working day after notice of intention to award a contract has been posted and (ii) a complete detailed written statement within five (5) calendar days of filing the protest stating grounds for protest being deemed untimely and grounds for protest waived.

**L. SMALL BUSINESS PREFERENCE**

State Law allows certified small business (SB) and micro business (MB) firms and non-small businesses who subcontract with a certified SB/MB firm(s) to receive 5% bidding preference on applicable state solicitations. The effect of the preference is to help SB's/MB's be more competitive in the bid process, thereby enhancing state contract awards directly or indirectly to SB/MB. The preference is only used for contract awards directly or indirectly to SB/MB. The preference is only used for computational purposes to determine the winning bidder, the actual bid amount.

If you are claiming the 5% small business preference and are a SB or MB, or if your application is on file with the Office of Small Business and DVBE Services (OSDS), or if you are claiming the preference as a non-small business subcontracting with certified SB/MB (s), see Section E of this IFB for instructions regarding what to submit with your bid in order to receive the preference.

**Certification Application**

To apply for Small Business Certification, go online to [www.pd.dgs.ca.gov/smbus/getcertified.htm](http://www.pd.dgs.ca.gov/smbus/getcertified.htm) . Your complete certification application package must be received by the OSDS no later than 5 p.m. of the bid due date. Your certification effective date will be the date the application is properly received and deemed complete by the OSDS. Incomplete application submittals will delay your certification status and may result in the loss of your 5 percent preference eligibility.
